Living and visiting

Where will the children spend most of their time?

Bob said the children will split their time between Sam's home and Bob's home.

Do you agree?

Yes ☐ No ☐

If you do not agree, suggest where the children will spend most of their time

Which schedule best meets the children's needs?

An exact split of time between two households does not always suit children’s best interests.

Bob suggested:
"arrangement"

Do you agree?

Yes ☐ No ☐

If you do not agree, suggest a schedule
